

David Sprot - Chairman

December 2025

Dear Fleet Art Society,

Thank you so much for raising a wonderful £5,000 for Phyllis Tuckwell over the year. We're so grateful that you chose to support us and really appreciate the fantastic amount of money you have raised through. Sharon enjoyed coming to see you for the cheque presentation on 13th December, so thank you so much for the invitation.

Your donation of £5,000 could fund an In-Patient nurse for 28 days, caring for several patients at a time. Providing pain relief and care when they need it most.

Our aim is to make every day precious for our patients and their families who are living with an advanced or terminal illness, and thanks to your generosity, we can make this happen.

The Government/NHS only provide around 25% of our costs, meaning we need to raise over £25,000 every single day to offer all our services free of charge. Without supporters like you, we couldn't continue to provide compassionate hospice care for the community and everyone in it, when it matters most.

Your new local Hospice will open in 2026 and will give everyone in our community the chance to live well in the precious time ahead of them. Somewhere that always feels like home, whether that's in your new local Hospice, or their own home. If you would like to find out more, please visit www.pth.org.uk/new-hospice.

Warmest Wishes
